

Session Objectives

Session 2

Hospice Regulations

March 3, 2022 at 2:00 pm CT

Objectives:

The goal of the session is to walk away with insight:

1. Insight may be that: I need to be more sound in regulations
2. Insight may be that: I need to advocate for our peers/the Medicare Hospice Benefit (MHB)
3. Insight may be that: I call our hospice and change some things pretty quickly
